FINISHING

Block pieces to measurements.

Using yarn needle, weave in ends.

Realizing that the wrap has 6 wedge sections, you will be weaving the belt to cinch the 1st, 3rd, 4th, and 6th sections for the body, skipping the 2nd and 5th sections for 'sleeves'. Weave belt through eyelets in lace, inserting the belt at the end of the first section, skip the 2nd section, weave the belt through the beginning of the next wedge in a lace eyelet, skip to the end of the 4th section and weave the belt through a lace eyelet, skip the 5th wedge, and pull the belt through a lace eyelet at the beginning of the 6th wedge. When you cinch the belt, the body will hug your waist, and the 'sleeves' will flow around your arms.
